AL MARJAN ISLAND

# DESIGN PHILOSOPHY

## BY THE ARCHITECT

Influenced by the breathtaking landscape of Ras Al Khaimah and the majestic Jais Mountain, the architectural concept emulates the organic forms of natural peaks and valleys, seamlessly integrating two interconnected blocks to sculpt a serene valley-like oasis. The podium roof, reminiscent of mountain caverns, boasts enchanting apertures facilitating cascading water installations and al fresco pursuits. Reflecting the undulating rhythm of ocean waves, the balconies harmonize the essence of mountain grandeur with the allure of the sea. Elevating the arrival experience, the luxurious main entrance atop the
